Shore Gate Ranked Golf Digest Top Twenty (Private & Public) in New Jersey

Shore Gate Golf Club in Ocean View (Cape May County), NJ, was recently ranked as New Jersey's number two public golf course by *Golf Digest*. The rankings are part of the magazine's biennial Best in State rankings for 2011-2012 and appear in the May 2011 issue of the publication.

Of the top 20 courses ranked in New Jersey, 18 were private clubs. Among public courses, only Atlantic City Country Club and Shore Gate made the list. For more information on *Golf Digest's* rankings, visit www.golfdigest.com/courses.

The rankings were compiled by *Golf Digest's* expert panel of more than 900 male and female golfers nationwide, who played and rated the courses on seven criteria, including Shot Values, Resistance to Scoring, Design Variety, Memorability, Aesthetics, Conditioning and Ambience.

Shore Gate has also been named among *Golfweek's* "Best Courses You Can Play," a state-by-state compilation of the nation's top public golf courses. The subject of national acclaim since its opening in 2002, Shore Gate is the only golf course at the Jersey Shore to have been named to both *Golf Digest* and *Golf Magazine's* lists of best new public golf courses in the United States.

Designed by Ron Fream and David Dale of Fream and Dale Golfplan, Shore Gate is a unique combination of parkland and Scottish links-style golf. Heralded for its scenic beauty, Shore Gate also features dramatic elevations and rolling terrain not usually associated with the Jersey Shore.

Shore Gate Golf Club is located in Ocean View, Dennis Township, between Route 9 and Corson Tavern Road, just one-half mile from Exit 17 of the Garden State Parkway. While open to the public on a daily fee basis, a limited number of memberships are also available.
